

Values

Gratitude

For our clients and each other; for what we have and being able to pay it forward to provide care excellence

Continuous Learning

To become a model of excellence we must be constantly learning & developing

Care Excellence

Through valuing the rights of all our clients to receive evidence-based, high-quality, safe, and consistent client-centered care

Respect

For clients, families, caregivers, staff, and stakeholders; for diversity and our cultural and unique similarities & differences

Stewardship

By sharing accountability of well-being of our clients through responsible planning and management of our resources to deliver high quality care

Openness

To and from clients, families, caregivers, staff, and stakeholders; We strive to listen and be responsive

Fabric of the Community

We are part of the community we serve

Mission

To enable seniors to live at home independently with integrated support and services

Vision

Seniors aging at home with dignity
